

HEAL Advanced Learning Program - ALP

Human-Equine Alliances for Learning

Candidates for this “mid-level” HEAL program should have a basic orientation to the HEAL Model through taking Keys to Connection 3-day workshop, or an 8-hour personal experiential orientation with a designated HEAL instructor. It is recommended that applicants have a Bachelor’s degree in the human services field or in equine studies, OR equivalent education & experience in an occupation related to human support and growth.

In addition, a minimum of 3 years’ recent and regular horse experience is highly recommended. Understanding and practice of natural training methods is helpful. EFL relies on humane training & relationship with horses; fear or pain as methods of influencing the horse are not used in EFL.

Prerequisites

HEAL workshop within last 3 years. Alternatively candidate may schedule an introductory session with a HEAL Instructor or Associate Instructor.
